JP Confers With Pak President

KARACHI, Dec. 14.—Mr Jaya Prakash Narayan today conferred with President Ayub Khan.

Their talks related to Indo-Pakistan relations, it is understood.

Later, Mr Narayan was the chief guest at a dinner given by the Pakistan President.

Speaking at a function here this evening, Mr Narayan said the warm welcome given to him in Karachi proved that the people of India and Pakistan wanted to come closer.

He said Indians were watching with interest the experiment of basic democracies in Pakistan and he was confident that Pakistan would find a way out in which the people would be able to manage their affairs satisfactorily. Many Asian nations were thinking of some alternative to the Western parliamentary system of Government, he said.

Mr J. P. Narayan's stay here has been well publicized by the newspapers. Some of the evening papers had a lengthy profile of Mr Narayan with pictures bearing the caption "Indian leader with a difference." He spent the day today receiving former members of the Indian Socialist Party.
