My dear Rajaji,

Thanks for yours of the 16th forwarding the Commerce editorial, which I had already seen. I have today sent a letter to the Editor of Commerce for publication, a copy of which is enclosed. I hope you will approve of it.

My dear Masani,

J. R. Ch

The "Commerce" Editor sends the enclosed to me. The last paragraph of the article demands from us a 'Plan' amendment. I feel this is an unreasonable demand. But I suppose some people might think it a very reasonable criticism. Do you feel inclined to examine the question?

Yours sincerely,
