Dear Rajaji,

I am sending under separate cover a copy of A.G. Noorani's book Our Credulity and Negligence which he has asked me to pass on to you. It is an excellent little study and reference book regarding the events to which it refers. I wonder if you can have a paragraph on it in your Dear Reader column? This may represent even greater appreciation than a routine review in Swarajya.

I saw that you had a successful time in Mysore and trust that you got back to Madras in good health.

Yours sincerely

(M.R. Masani)
