My dear Masani

Happy New Year

I have returned here (this day) after touring in Orissa for five days and in Andhra for 3 days. I found so many of our workers keen on offering Satyagraha.

I have looked into the papers re opened the concerning the Bangalore meetings. I think we have to discuss the organisational possibilities ⁱⁿ and set up for M.P. and West Bengal.

- I think we ought to request Rajayee to open the convention; i.e., when all the delegates meet for the first time. What about the public meeting? will it not be good to invite Shri Punshi to inaugurate it formally.

He may like to write out his speech and
get it printed, so that, he can have that as his
contribution to our cause during this new year.
please let me know your thoughts so that
I can formally request them.

Taking advantage of our Andhra
postponement of Satyagraha, Shri
T. Viswanatham and C.P. I are
starting theirs by the end of this
month, only against the L. R.
Enhancement, just to confuse the people.

I will start on the 12th from Vijayawada and
hope to reach Bombay by the 14th morning.
I have received information from Shri B. P. Patil
of Bardoli that they are ready with their
programme in Surat Dist for the 15th and 16th
next. No word yet from Shri B. D. Patil.
