Hyder Masani

Don ask

I have not been able to
fathom the scope or the procedure
of the 'Unit Trust' Scheme.

Can you forward a demand
for the total withdrawal
of the Compulsory Deposit
Scheme in view of this
'Unit Trust' Scheme?

Yours truly

My dear Masani

I read the stories in the Express and the Hindu about your speech in Parliament. In addition to the appreciations you have extorted from the press, let me add my own delighted gratification.

When I came down from Delhi, on the flight between Hyderabad and Madras I got a kind of total collapse which was ugly. But thank God it was overcome. It is as I believe the peak of an enteric flu. Throughout my stay in Delhi I had no appetite whatsoever and

I could eat but very little
and assimilate less.

I am now recuperating.
I have had to cancel my
engagements in Bangalore
and Mysore on 1st 2nd + 3rd
on which the people there
had banked a great deal -
I am also avoiding all
commitments now. To make
up for my enforced laziness
I hope you will all be
extra active and pursue
the hunt. God bless you all
and bidding

C Rajagopalakrishnan
