NO 10 JUN 1964

You must be aware that next session of Parliament will commence from 7th of September 1964. Most of us during this inter-session period will be going abroad. Orders will be occupied in connection with the meetings of Delimitation Commission for finalisation of constituencies of State Legislatures and the Parliament.

We are therefore of the view that meetings of the General Council, fixed for 29th and 30th June be postponed for the last week of July.

Yours sincerely,
