Respected Sir,

I am writing this letter to our late friend Mr. Ranga, who has been a great help to me in my work. I always admired your critical attitude about some of Mr. Ranga's policies with which you differed, because such criticism came out of your unshaken affection for him and your desire to bring him to the right path in the interest of the nation. I am sure that your criticism will be of great help to him. I am sure that you will be able to bring him to the right path. I am sure that you will be able to bring him to the right path. I am sure that you will be able to bring him to the right path.
