Dear Rajaji,

After his return from Madras, Minoo Masani informed me that you have agreed to give a talk to the Rotary Club of Bombay on Tuesday the 30th June on "India and Her Neighbours".

In the context of today's political moves, your subject should prove most interesting, and I am sure an analysis by a person like yourself would help the average Indian to view this problem in its proper perspective.

We are all looking forward to your talk.

With kind regards,

Yours sincerely,

Mr. C. Rajagopalachari
