My dear Masani,

Your letter of May 20. I agree
to your proposal about shifting ICWA to July 1.

You will have seen from Munshi's
letter to me (copy sent to you by me) his
reaction is pretty angry and stubborn.
Perhaps we should expand and clarify why we
hold the P.M. and his party largely responsible
for the present state of affairs. *for which*
he severely objects.

Yours sincerely,

C Rajagopalachari
