My dear Rajaji,

Yours of 20th May. I had sent the full text to S. Mulgaonkar with a personal letter and he has made up for the first day's lapse by publishing the full text in the issue of the 20th. As desired by you, I am sending the text to Dr. Radhakrishnan with a covering letter, but frankly, I do not feel like sending it personally to the Prime Minister. Perhaps it would go better from you in view of the nice things you are saying about him in the current issue of Swarajya.

Yours sincerely,

(M. R. Masani)
