1. Motion regarding Telengana which was coming up in the House on 1st April was discussed. It was decided that the Leader while speaking would speak in his personal capacity. The Party's attitude all along had been generally against the tendencies of bifurcation but in the context of the situation prevailing in Telengana area, a different attitude might be necessary.

2. Shri Kameshwar Singh's bill regarding voting age to be reduced to 18 years from 21 years was discussed. Such of the members who were in favour of the Bill might vote for the Bill. Others who were against the bill might abstain from voting but not vote against it.

3. Shri Madhu Limaye's bill regarding creation of statutory student's unions was discussed. In line with our Party's decision it was decided that we should oppose such a move as that would lead to open political interference in the educational field.
