My dear Fazal,

This is to confirm our telephone conversation this morning that Rajaji will be able to address the Rotary Club on Tuesday, 30th June, on "India and her Neighbours".

Hamid While in Madras two days ago, I was delighted to meet Satar and his wife Nazura, who as it happened had worked with me on Quest many years ago. They are very nice couple and we all remembered you that evening.

Yours sincerely,

(A. R. Masani)
