My dear Ranga,

I trust you have received the agenda of the Parliamentary Board Meeting in Madras on 16th and 17th. An extra copy is attached.

I have written to Ramgarh, Maksudpur and Anandchand on the lines suggested by Rajaji and agreed to by you in regard to Kejriwal's complaint. A copy of my letter to Ramgarh is attached. Similar letters have gone to the other two. I thought I would make it cryptic and say the least that was necessary. I hope you approve.

Yours sincerely,

Encl:
