BOMBAY HOUSE,
FORT, BOMBAY, I

8th May 1964.

My dear Rajaji:

The Indian Council of World Affairs, of which I am Life President, is anxious that you should address its Members, on any subject of your choice, in the course of your visit to Bombay for the Swatantra Party meetings in June. They understand from the Party office that Monday, the 15th of June, might be convenient to you for the purpose.

Will you very kindly agree to meet our wishes in the matter? The meeting would be held in the Tata Auditorium, which has a seating capacity of over 400. The whole proceedings would not go beyond an hour and a half at the most, allowing for half an hour for questions.

I shall be happy if you will convey your consent to me at a very early date. *kindest regards.*
