My dear Trivedi,

Thank you for your letter of the 11th and the expression of solidarity that it reflects. I agree that there is a lot about the election that leaves one with a sense of intrigue. I also agree that the country will have to pay a heavy price for what has happened. Let us all, however, do our best.

It is good of you to have written and I appreciate your kind thought.

Yours sincerely,

(M. R. MASANI)
