I hope you have my telegram, and are happy about it.

This maybe unnecessary, but it may just as well be sent - as I am enclosing a copy of my coming front page Swarnima of April 25. for you to read before you speak in Parliament. Which you say will be on 17th. If this reaches too late, it won't do any harm.

Can you arrange to have a typed copy of this article of mine sent to Sheikh Abdullah wherever he may be now.

I am unable to ~~make~~ ^{make} any contact with him as I don't guess where he is. It may be good for him to know what

You and
I think about the subject.

It appears to me he is
beginning to melt somewhat -
I hope I am not right.

Yours affectionately
C Rajagopalachari
