My dear Rajaji,

It has been now settled between the Rotary Club and ourselves that your talk should be on 16th June, as decided between us in Delhi. You will no doubt be receiving a formal invitation from my friend Fazal Fazalbhoy on their behalf.

The topic given to them is 'What about our neighbours?'. But you may change if you wish between now and then.

I shall now be issuing notices for our party meetings in Bombay on Sunday and Monday 14th and 15th June.

Yours sincerely,

(M.R. Masani)
