My dear Ranga,

The Central Office is organising a training programme for Party Organisers commencing in Bombay on August 15 and lasting till August 23.

You had indicated to me your interest in having a full time Organiser appointed for Chittor Parliamentary Constituency and if this project has to be put through, it is essential that the man to be so designated should go through this course.

This will call for your making a quick choice during the next few days. It is also essential that the man in question should reach Bombay by August 12 so that he may be interviewed and screened here and his suitability established. If he is found suitable, he will be put through the course and sent back to Andhra after the 23rd. He should, therefore, come prepared to stay here for that period.

I do hope you will take this matter immediately on hand and let me know whom you are sending and when he may be expected here as otherwise it will be a pity to delay ~~action~~ in the field in Chittor Constituency till the next training course is arranged, which may not be for the next two or three months. I shall await your reply to this in the course of the next fortnight.

Yours sincerely,

M. R. Masani
