My dear Rajaji,

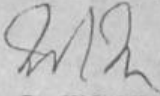

P. C. Manaktala & Co. are, with a little encouragement from myself and some of my friends, publishing a book by A.G.Noorani on the Kashmir Problem. The Background Paper which we circulated to our General Council members is in fact nothing but some extracts from that book. I think the book will prove to be of great educative value and will strengthen the hands of yourself and others who have sought to give a correct lead to the country.

Both Noorani and the publishers are very keen to have a short Foreword to the book from you and I do hope you will kindly respond to their plea.

In anticipation of your kindly agreeing to do this, I have asked the publishers to send you the galley proofs, which will reach you after a week or so, as I thought it would be easier for you to glance through the proofs than the typescript which would make heavier reading.

With kind regards,

Yours sincerely,

(M. R. MASANI)
