My dear Raju

X No. we have to make special efforts to build the party in Madhya Pradesh. Do please write spl letters to our friends in Raipur, Jabalpur, Gwalior, Indore, Ujjain, Bhopal, Jaspalpur, Rewa, asking them to enrol active members before the 31st inst. Similarly you have to address letters to our friends in Nagpur, Wardha, Betul, Chanda, Akola, Amravati, (Talasa has our Shri Patil) Nashik, Satara, Poona, etc, through the post offices of the Bombay Office.

unless we take such initiative, so little progress can be made.

I am enclosing two letters, which indicate to you what is to be done in Indore & Bastar.

The other day Shri Masani got a
wrong idea of Andha's enlistment,
since, the Dist Committees are not in
the habit of informing the State Party
from time to time the degrees of enrol-
ment they make. They are all in the
habit of informing the State only by
the 31st inst.

Similar was the case with
the permanent (life) membership
enrolment made before 1st Jan. They
all collected the dues right upto that date
& then issued the certificates; little fearing
that they might be misunderstood. Most of
these members belong to Vizag & Sri Kakulam,
our poorest Dist and joined us thus because
of their faith in the Party & Shri Lachanna.

Ys affly
