My dear Rajaji,

* I return herewith Kalahandi's letter to you of June 18
* along with a draft for your consideration. I have no doubt
that you will reshape it in a manner which while carrying out
the purpose will be more effective with Kalahandi. Perhaps
you will be good enough to ask Krishnamurti Rao to send me
a copy of your letter to Kalahandi so that Prof. Ranga and
I may have it with us in Delhi for reference.

Yours sincerely,

Encl:**
