My dear Masani

I am sorry I did not have the forenoon to bring with me a correct copy of all the resolutions we adopted in the G.C. so that they could appear in Swarajya to be printed this Monday. I kindly ask Rajin to send me an accurate copy of the resolutions so that they may go on record in Swarajya of next week at least.

I arrived in good health and continue to enjoy it. The flight was as convenient returning from Bombay as it was boring going from here on 28th June.

I shan't forget the nice
lunch you & Mrs Masani
gave me and the beautiful
beach scene from your
balcony. I was glad to
see your wife so cheerful
& happy and give me such
food food and show so much care
and affection / was affectionate
on me.

C Rajmopalachari

Mr PK Ghosh MP from Ranchi saw
me here ~~of~~ last night. He seems
to be quite an admirer of Rajmopalachari
& he pleaded hard. I told him
after he finished his Estimates Committee
work in Bangalore to go to Bombay
and meet Mr Manshi and answer
all the charges if he can.
