 I had, after reading a
 report in the press, suggested
 she does not join the
 Janata Dal but try
 and form a state party
 confined to Rajasthan
 This is her answer

Dear Raju,

I have received your letter of the 14th of March.

Please do not worry I shall not join any political party.

I quite agree with you that State parties are the answer
 but the big problem is - will they co-operate in forming
 a decent party in the Centre.

Yours sincerely,

Gayatri Devi
