Dear Ramu,

gh

Here is the article I
promised you, in response to your
letter of the 5th.

It is a controversial article,
and if you find you cannot publish
it without editing I would be happy
if you returned it.

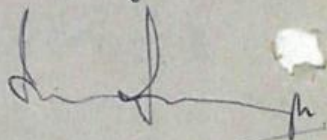

The sub-editors on a
periodical's staff often try to tamper
with what they think are spelling
errors, etc. They may try to do this

with the word "BLAND" on p. 4 of
the text. I hope you can restrain
them if they are so tempted.

I look forward to seeing
the ~~next~~ next issue of Freedom
First.

Regards

Sincerely

J. B. D'SOUZA
