Masani attacks PM's policy

The FPJ News Service
AHMEDABAD, Feb. 13: The
Satantra Party President, Shri
Munoo Masani said here today
that Smt. Indira Gandhi was
wedded to the communism of
Stalin while the four-party front
was wedded to the socialism of
Mahatma Gandhi.

Addressing a meeting organis-
ed by North Ahmedabad Junior
Chamber, Shri Masani said the
Prime Minister wanted to
change the Constitution and
take away the right of property
which was a fundamental right.

Shri Masani replying to ques-
tions ruled out the possibility
of internal conflict between the
front partners if they were
voted to power. He said it was
true that the front partners
were fighting the election on
their own manifestos but it
would not be difficult to form
a coalition government at the
Centre.

Shri Masani said all front
partners had accented the A-ICC
(O) resolution of June 28 as the
common basis for economic pro-
gress and welfare of the com-
mon man.

CONG (O) SUPPORT

Talking with Pressmen Shri
Masani said that the Congress
(O) workers from the Raikot
District were whole-heartedly
working for his success.

He said that it was wrong to
say that the Congress (O) work-
ers were opposed to his candi-
dature. Barring Shri Vallabhbhai
Patel the president of the Raikot
District Panchayat all others
were working for him, he added.

The Jana Sanah was passive
and was not working for him, he
said.
