**Mrs. Masani joins
New Congress**

NEW DELHI, March 3.
The entry of Mrs. Shakuntala Masani, wife of the Swatantra Party Chairman, into the New Congress and the announcement of support to the Jan Sangh by the Akali Dal-led by Mr. Rachpal Singh, marked the end of the election campaign in the nation's capital which goes to the polls on March 5.

Mrs. Masani, who is already campaigning for Mrs. Subhadra Joshi (New Cong.), told newsmen that she was fully convinced that Mrs. Gandhi and her party were the only instruments that could usher in socialism.

Because of this conviction, she added, she joined the party.—PTI
