Dear Minoo,

*Curis file
J.R.D.

Thank you very much for your letter of June 10 and for the enclosures which I have read with very great interest.

I am sure that the stand you have taken is the correct one and that your perseverance will help not only the Party but also to clear the political atmosphere in the country. *If more political leaders in the country followed your example the country would be in better shape.*

Yours sincerely,

(J. R. D. Tata)
