Confidential

My dear Arvindbhai and Jagdishbhai,

You will no doubt have been following in the press with some concern the current controversy within the Swatantra Party.

Recent developments in Gujarat, as also in Rajasthan and Hariyana, have undoubtedly caused a setback to the Party and I am doing my best to mitigate the damage done to the Party's good name and credibility.

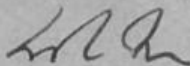

In view of your kind interest in the Party, I thought I should send for your personal perusal the enclosed confidential letter which I had addressed to members of the General Council a few days back. I also enclose a copy of Dr. K.M.Munshi's letter.

I trust you will find time to read these papers as they will give you an accurate and complete picture of what has happened and the reasons for the stand I have had to take in order to save the Party.

Yours sincerely,
