28th May, 1968

My dear Dandeker,

On returning from Europe this morning, I have seen your letter of 22nd May. In my letters to you and to the Members of the General Council, I have said all that can usefully be said on the subject. I am afraid your letter leaves me unconvinced. I fear you are on the wrong track.

Yours sincerely,

(H. R. MASANI)

Mr. N. Dandeker, M.P.,
General Secretary,
