

Swatantra Party Parliamentary Office

53 North Avenue,
New Delhi.

July 25, 1968

454

All Members of our Party are requested not to agree to be a member of select or joint committee without the prior permission of the Party. This is in view of several select committees being proposed on the private members bills and also amendments being given to the Government bills to this effect and our Members' consent taken without party being informed in advance.
