My dear Ratibhai,

Thank you for your letters of April 17, 29 and 30 and the interesting enclosures forwarded by you.

In so far as the Jan Satta report from Delhi is concerned, it is the usual mischief and you need not take very serious note of it.

I enclose herewith a copy of the letter I have sent to Mr. Dandeker declining to withdraw my resignation and explaining the reasons. It is also being released to the press and you will probably have seen it published by the time this reaches you. *You may feature it in Jan Satta.*
encs.

Yours sincerely,

(M. R. MASANI)
