I am sending herewith some cuttings
of Press to you information.

Regarding Rajya Sabha Election
Gujarat Party leaders have made a show
of establishing unity in the party ~~try~~ on
the line of "Forgive and forget" at the cost
of "Party Discipline" and "party Commitment".
I think that diplomacy of Baria Mahurajji
Jaidheepsinhji has played an important
role and he might have persuaded
the central executive to minimise

the disciplinary action by giving only show
cause notice to five persons. At the
most out these five persons Mr. Jamnabhai
Bhatt who is joint Secretary of Gujarat
Party and Mr. Parikh of Baroda who is the
District President will be debarred from
holding their offices for one year only
and no other action will be taken on any
other persons.

Mr. Pravinsinh Solanki has refused
that he had no talk with Mr. Bajpai of
Jan sangh. While Bajpai has already
gave a counterstatement that Pravinsinh
had a talk with him and he told a lie
for fear of his party.

Yours sincerely
Ratibhai Patel
