Extract From the Proceedings of the ~~Parliamentary Board~~
Meeting of the Andhra Pradesh Swatantra Party held at
Bapatla on 19th April, 1968

This Executive Committee expresses its anxiety for the behaviour of some of our Party legislators in the voting of the recent Rajya Sabha elections which lowered the prestige of the Party. This Committee further requests all the party legislators to stand united and enhance the prestige of the Party in future.

In spite of the suspicious attitude of Jana Sangh Legislators in the recent Rajya Sabha biennial elections, this Executive Committee still decides to strictly adhere to the understanding arrived at by Sri G. Latchanna, MLA, on behalf of the State Party with the Jana Sangh for the coming Legislative Council elections.

This Committee is very much worried with the latest developments in the Gujarat Swatantra Party regarding the defeat of the Party candidate in Rajya Sabha biennial elections which led to the resignation of Sri M. R. Masani, MP, for the Parliamentary Board and Executive Committee of the Central Party.
