My dear Sir,

We have succeeded in the Rajya Sabha elections here. It was a narrow thing but I am glad that we got through quite creditably.

Yesterday in the evening we had our MLAs meeting to felicitate the newly elected member, Shri Mahendra Kumar Mohta. At that meeting Maharawal Sahib was requested to convey the unanimous request of the Rajasthan MLAs and the Party organisation here to you to kindly reconsider your decision to resign in the larger ~~interests~~ interests of the Party which undoubtedly will suffer with your exit from the highest bodies of the Party. The meeting wished to assure you that the Party in Rajasthan will do its all to ensure that such ugly incidents do not happen in future. Maharawal Sahib has been asked to communicate this request of the Rajasthan Party to you at the time of the National Executive meeting when he will be in Delhi. I have already expressed my personal feelings on this issue in my letter of 30th March which I hope you will kindly consider.

With respects,

Yours sincerely,

I. S. Bhargava
