My dear Koppiker,

Thank you for your letter of 31st March. I quite appreciate the concern that you have shown.

I shall be glad to explain the facts and motivation behind my resignation from our Party's National Executive and Central Parliamentary Board to the members of the Regional Council in Bombay later this month. Unfortunately, I may not be there in the last week of April but could suggest a date when I shall be there in the first days of May. Will you kindly contact me at my office on the afternoon of Monday the 15th or Tuesday the 16th so that we may think of a convenient date on which this meeting could take place?

Yours sincerely,

(M. R. MASANI)
