My dear Dandekar,

I forward herewith a copy of my letter addressed to Professor Ranga yesterday. I shall be glad if you will kindly bring it to the notice of the National Executive and have suitable action taken on the lines suggested in the penultimate paragraph of my letter.

I also enclose a copy of a letter I have received from Babubhai Vaidya which contains some information that should be of interest to our National Executive and Central Parliamentary Board.

Yours sincerely,

(M. R. MASANI)
