My dear Shenoy,

Thank you for your letter of March 21. It was good of you to have stepped aside.

I find, however, that you were once again misled by your contacts in our party who evidently dropped you in favour of Mahida in the course of their perverse attempt to flout the Party's decision and its pledges. All the same you did the right thing and for that we are grateful.

Yours sincerely,

(M. R. MASANI)
