Dear Friend,

It has really shocked me to note the defeat of the official Swatantra Candidate in the Rajya Sabha elections from the Gujarat Assembly constituency and the success of the rebel candidate. What an act of indiscipline!

I appreciate the stand you have taken in the circumstances. As observed by you, your resignation is indeed an act of atonement to those who have been let down by the breach of faith on the party of some of our colleagues. I am also happy to learn that the leader and the Deputy leader of our party in the Gujarat Assembly have also resigned the leadership.

I am really sorry for the state of affairs going on in our party ranks in various units. I hope that our National Leadership will do its best, to put in order the disorderly things at the meeting of the next National Executive. I am sure that your protest will produce its desired effect.

With regards.

Yours sincerely,

Krishnamma Choudary
