My dear Masani,

I was shocked to read in to-day's paper about your resignation from the Central Parliamentary Board and the National Executive on the ground that our M.L.A's in Gujarat did not vote for ~~him~~ our Official candidate for the Rajya Sabha. Such indiscipline ~~inxxxx~~ is not peculiar to the Gujarat Swatantra Party. It prevails in Mysore also where our Official candidate was defeated because half our Swatantra M.L.A's in the Assembly did not vote for him. You may also be interested to know that the M.P. whom you deputed to "advise" you about the Bijapur by-election did his bit to get our Official Candidate defeated. He is to be your self-constituted Adviser on Mysore matters! If so, it would, perhaps, be best for K.H. and me to disappear from the scene.

Seriously speaking, what useful purpose would be served by your resigning from the Central Parliamentary Board and the National Executive? The lesson we have not yet learnt is that we are not really careful in the choice of candidates at the General Elections. It is preferable to have 10 M.L.As. who have character than 50 who are men of straw.

So, please reconsider your decision and continue to lead the Party of which you are such a distinguished luminary.

With kind regards,

Yours sincerely,

V. T. Sreenivasan
