Personally requested Bhairappa and Mr. H. M. Reddy to stand by me.

This is to keep you posted

with developments here in connection with Council or State election.

I feel an opposition against me was engineered in the Swarna Party members. This included some office-bearers also. But after the decision of the Central Parliamentary Board these people have changed their tactics. The results and file has no objection to me, but an underground propaganda against me is going on. I have not been able to meet the party M.L.A.s in a meeting in spite of my request. I have planned meeting them individually and the response is encouraging.

Dr. D. Thakur Sahab along with a few others is still working openly against the party-candidate i.e. me. Some members came here on 18th and after that the situation has definitely improved.

I approached Mr. Vadlakoti L. Nallu and he promised to vote to me. But now that I am in in the fray he may try to influence Vadlakoti. All Samastha Princes except Dhandu are actively supporting me.

The Congress has promised its fourteen seats to Mr. U. N. Melkote. That might make our task tough, but I feel, if I joined Swatantra Party-leaders take a firm and unanimous stand the Congress will not succeed in its game.

Bhairappa told me today that he will tell Mr. H. M. Reddy to issue the party manifesto on 25th inst. It will be a little late, but all the same party-work will have a definite effect.

Wishing you in the best of health,

Yours truly,

Babulalai P. Vaidh
