My dear Rajaji,

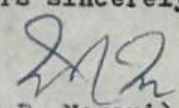

Thank you for your letters of 11th and 12th August.

You will have already received my telegram of the 15th stating that all meetings planned by us in Delhi stand. I hope you have made your travel arrangements.

Re. Kerala, my recollection was that you had kindly offered to wire Raghava Menon and that I was to write to Mr. Wariar. I am sorry if I misunderstood you.

I wired to you about the Bihar affair. I trust you have received the telegram. Since I have not received any reply from you I am acting on the assumption of your approval of the action Ranga, Munshi and I have in mind.

Yours sincerely,

(M.R. Masani)
