My dear Masani,

Reference: Bhamu Pratap Singh's letter to you dated 11th August (copy sent to me). I don't advise our Party men going beyond meeting and independent demonstrations. We should not offer Satyagraha. If any are arrested for speeches and without our offering to go ^{to} prison, that is a different matter.

Yours sincerely,

C Rajagopalachari

X. It is consistent for those who want the State to dictate prices to offer Satyagraha. It cannot be consistent with our stand against state action of that kind.
