Attention of all Members of our Party is invited to a circular dated 3rd April 1967 regarding issuing statements to the Press along with Members of other Parties. Members have been repeatedly requested not to issue statements to the Press in conjunction with Members of other parties without prior permission of the Party or the Leader or the Deputy Leader. Unfortunately, in the recent past, some Members of our Party have been inadvertently issuing press statements along with members of other parties which have taken a different posture from the line of our Party on various matters.
