Nidubrolu,

24 -7- 63.

My dear Rajahee,

Congratulations upon the development of your "flowerful" hopes into "fruitful" treaty over the Test Ban.

The post card petition campaign is gaining momentum in these Andhra Districts. The Lok Sabha Secretariat have been receiving large numbers of these post card petitions. I hope our Madras Unit is also getting busy over this.

Sri Jinraj Hegde has written to say that the ~~Conven-~~ ^{Conven-}tion will be held only on the 6th August and not on the 5th. This may prevent some of our North Indian friends from going from Madras after our COC meeting concludes. on the 4th Aug.

Will it be possible for the Madras city party unit or any other unit on our way to Bangalore to organise a meeting for these North Indian friends to address on the 5th August, so that we can press them to remain with us for those two more days.

I hope you received a copy of the leaflet published in English by Sardar Basant Singh on this Bill. He is quite dynamic. I am sure he will build up this campaign there.

It is good that Shri R.N. Singh Deo has given up the responsibility for enquiry into the Biren Mitra affair. I trust that you are keeping good health.

Yours affectionately,
