My dear Madan

Your excellent statement at Ahmedabad
 replying to the charge of intoxication made by
 Mr. Nehru at Madras was a fine and succinct
 anticipation of my article now in the press.
 Ranga who was here yesterday also
 admired the brilliance of your brief
 and effective answer.

Now I write to ask whether you
 are inclined to come to Madras for
 a felicitation meeting some near day.
 Ranga will join if we know the
 date. What date would suit you?

Meanwhile I tried for a good hall
 for 23rd (Sunday) - It was not available.
 If you say when you could come,
 we shall be able to fix up. It should

be better if it is a Saturday
 or Sunday. ~~For 23rd is not July~~
 would be good. College spoken
 by them.

Yours affec
 C. Rajagopalachari
