My dear Masani,

The Post is too slow for our communications.
Our letters cross each other.

Yours of June 11 enclosing the Pasricha cutting. Pasricha is going entirely wrong as you rightly say. I got his circular yesterday and I have sent it to you with my disapproval. I have not replied to him or to anyone of the other signatories. I agree with Ranga's preference for the meetings to be in Delhi. You may fix the date as you think fit and let me know. I agree with you and Ranga entirely about the joint front idea.

Yours sincerely,

C. Rajagopalachari
