SWATANTRA PARTY

RESOLUTION ON THE 17TH AMENDMENT TO THE CONSTITUTION

1. The General Council deplores the enactment of the 17th Amendment to the Constitution, despite all public protests and the Swatantra Party's efforts, and pledges itself anew to protect peasant proprietorship and to secure the repeal of this Amendment at the earliest possible moment.
2. The Council reiterates that the Party stands for true and good land reforms for ensuring security of tenure and ^{fair}~~fair~~ rents without taking away any of the fundamental rights guaranteed in the Constitution before the 17th Amendment.
