My dear Minoo,

Thank you very much for your kind letter of October 22. I know exactly how you feel. But being an editor yourself, you will appreciate that no editor can commit himself to using any copy exactly as received. Under the circumstances we may drop the matter for the present.

As for my review of your book on JP, the reasons for my inability to publish it are a complex mixture of personal and professional ones. I will explain them to you whenever we happen to meet.

I wish you luck in your struggle against censorship and look forward to seeing you some time.

With warm regards,

Yours sincerely,

Inder Malhotra
