Dear M. R. Masani

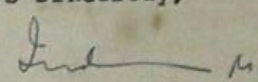

Would you be so kind as to contribute briefly -- about 500 words or so -- to a special feature on books that we are trying to publish towards the end of the year?

The idea is that you should join a dozen book-lovers in taking the readers into confidence about which three or four books you have enjoyed the most during the year and why. It will be very helpful if while mentioning the books you give the full title, the name of the publisher and the price.

I shall be grateful if you can drop a line to confirm that you will be sending your contribution, and please send your piece at your earliest convenience but not later than November 15.

With warm regards,

Yours sincerely,

(Inder Malhotra)
