Dear Sir,

You are aware of the turmoil created in the public mind by the declaration of the second emergency on 26-6-75 and the detention of greatly respected national leaders like Sri. J.P. You are also aware of the helpful attitude that the Tamilnad Government under Sri. Karunanidhi is taking in this matter. Our party workers feel very strongly that our party should take some lead in mobilising public opinion in Tamilnad at least for the time being against the continuation of the emergency and detention of leaders of democratic opposition parties. This applies more so in the case of Sri J.P. All of us feel strongly that if you will kindly make a trip to Madras and deliver an address on the political situation in anyone of the well known halls like Gokhale Hall it will provide the necessary lead not only to our party but also to the opposition parties also in Tamilnad. Hence kindly accept our invitation to deliver an address at Gokhale Hall or any other convenient hall within the next 10 days, if possible and oblige.

If you agree I shall invite a top leader of the Congress (P) and Jan Sangh to participate in this meeting.

Mr. G.K. Sundaram or Mr. S. Ganesan will preside.

Thanking you and with my regards,

Yours truly,

(V.S. Srikumar)

Jt. Secretary.
